**ADOPT  
A  
WREATH**

## DID YOU KNOW?

The Dolores Rotary Club installs, maintains, and replaces the Christmas Wreaths on Railroad and Central Avenue? As well as the lights up on the hill that say "**PEACE ON EARTH, GOOD WILL TO MEN**"?

Our goal is to have enough wreaths to completely line Railroad Avenue. Help us **LIGHT UP DOLORES** by adopting some Christmas lights or a Christmas wreath on display between Thanksgiving and Christmas.

We will list all sponsors on our website and Facebook page, and for those purchasing a letter or wreath, we'll let you know which one, with an adoption and location certificate!
