Seeking Security For All

The Dolores Firewood Donation Program is made possible by the Ironwood Group, Needful Provision Inc., and a team of community-minded members who want to help out those that could use some assistance getting firewood this winter.

Please fill out the form below and tell us how this will help you. We will try to assist those that need the most urgent help first with at least 1 cord of wood, cut, split and delivered to you. Right now this program is only available to those living in the Dolores zip code 81323.

If you are filling this form out on behalf of another, please give us their contact information so that we can reach out to them to confirm need, delivery and times.

Check all the things that apply to you (you still may be eligible even if none of the items apply):
